

NEW MEXICO BED & BREAKFAST ASSOCIATION

JULY 2010

*We Know New Mexico's Secrets ...
And We're Telling All!*

Choose an adobe casita, historic hacienda, elegant Victorian inn, or wonderful family home. Open your windows to New Mexico's spectacular azure skies, breathtaking mountain views and Technicolor sunsets. Stay in one of New Mexico's fine rural inns and treat yourself to evening star gazing, scenic grandeur, and the lullaby of nature's sounds. Check in to one of the many charming inns in the heart of town and you will find the historic streets of Santa Fe, Taos, or Old Town Albuquerque at your doorstep. Country or city, your hosts will give you key insights on everything from an undiscovered restaurant featuring regional dishes to secluded mountain trails and romantic getaways.

In a Bed & Breakfast Inn you can be sure your lodgings are as unique as New Mexico itself. Often furnished with Southwestern arts and crafts, each inn provides a delightful inside view of the culture and peoples in the Land of Enchantment. Walk across locally-woven rugs, snuggle under a hand-crafted quilt, view extraordinary art, and awake to a freshly-prepared breakfast. Savor flavorful dishes highlighting the rich and varied ingredients of New Mexico.

Each New Mexico Bed & Breakfast Association member inn is inspected, assuring you quality accommodations and standards. These inns offer the opportunity to unlock the wondrous diversity of New Mexico. Sleep where Billy the Kid slept, explore the cliffs that inspired the artist Georgia O'Keeffe, and wander the mysterious world of author Tony Hillerman. Create your own history! Stay in a Bed & Breakfast Inn and unlock the heart and soul of New Mexico.
